

Sustainable Peering Infrastructure Grant Program

IXP Self-Assessment (IXPSA)

March, 2026

IXP Self-Assessment (IXPSA)

Applicants for the IXP Support funding type of the Sustainable Peering Infrastructure Grant Program 2026 must complete the **IXP Self-Assessment**.

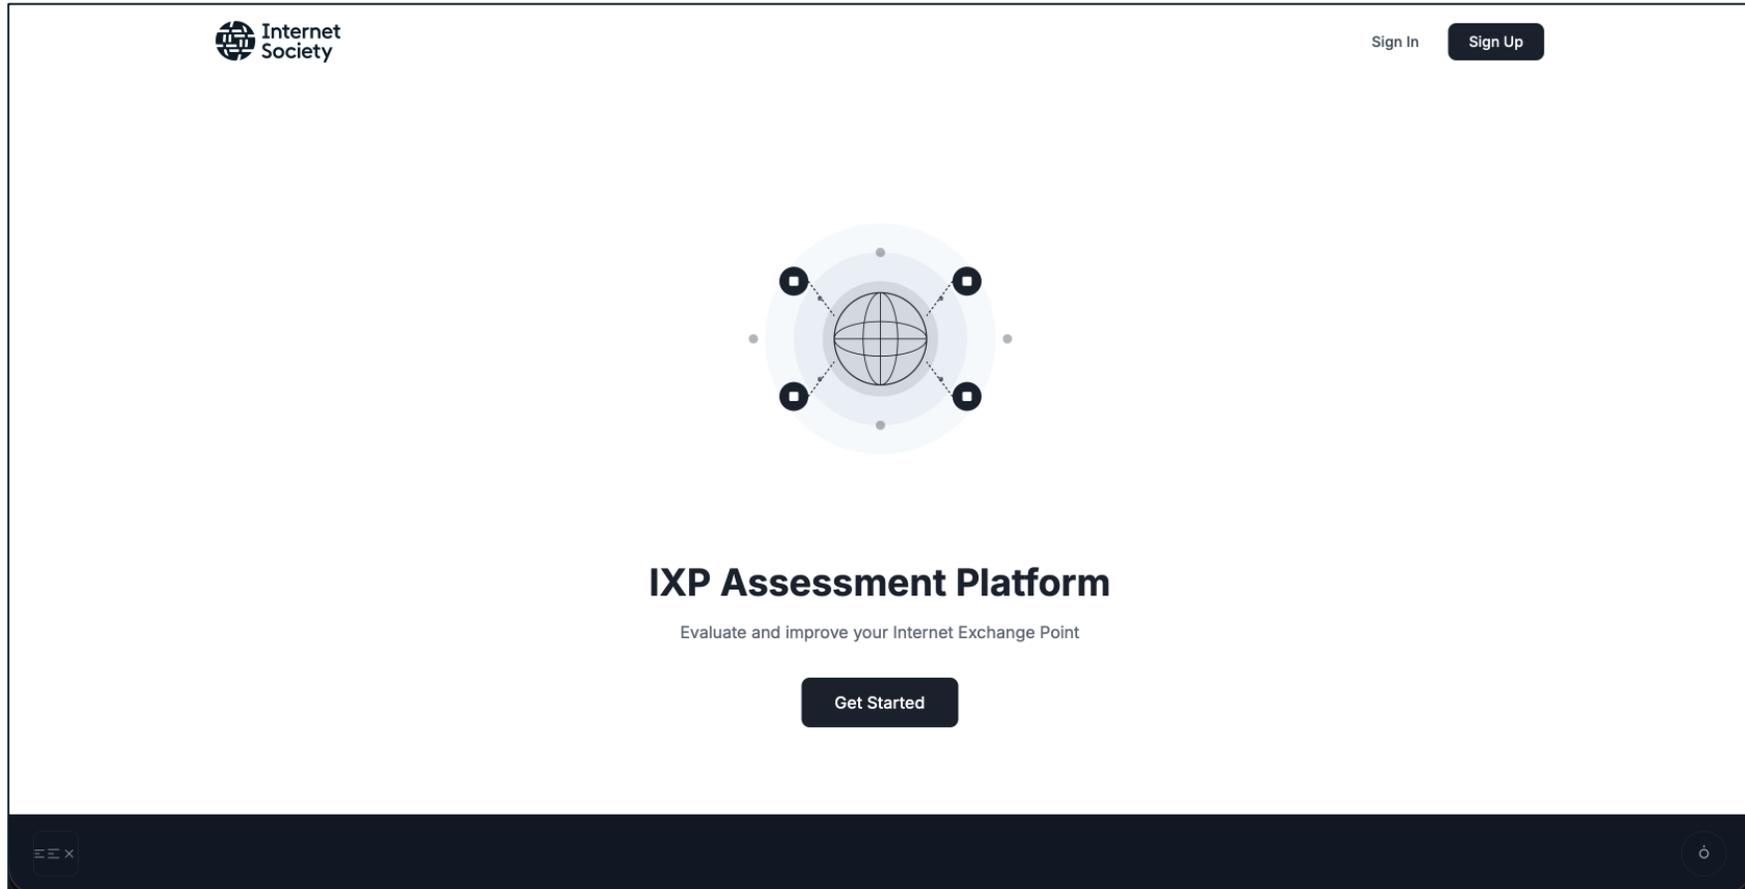

- ✓ <https://ixpsa.internetsociety.org/>
- ✓ Must be completed during the application period
- ✓ It should take less than 15 minutes

The following pages provide step-by-step process to take this self-assessment.

IXPSA

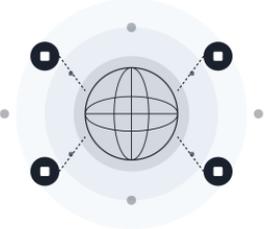

<https://ixpsa.internetsociety.org/>

The screenshot shows the landing page for the IXPSA (Internet Exchange Point Self-Assessment) platform. At the top left is the Internet Society logo. At the top right are "Sign In" and "Sign Up" buttons. The main content area features a central graphic of a globe with four nodes connected by lines, representing an Internet Exchange Point. Below this graphic is the title "IXP Assessment Platform" and the subtitle "Evaluate and improve your Internet Exchange Point". A "Get Started" button is positioned below the subtitle. At the bottom left, there is a small icon of a globe with dots, and at the bottom right, there is a small circular icon.

Internet Exchange Points Assessment Platform

The screenshot shows a user dashboard for the Internet Society. On the left is a navigation sidebar with the following items: "Dashboard" (highlighted), "My IXPs", "My Assessments", "My Profile", and "Sign Out". The main content area features a green success message: "Successfully signed in as ghislain." Below this is a profile card with a dark circular avatar containing the initials "GN". The card displays the text "Welcome back, Ghislain Nkeramugaba!" and "You are currently logged in as an Operator." Underneath, there are two fields: "EMAIL ADDRESS" with a redacted value, and "ACCOUNT TYPE" with the value "Operator". At the bottom of the page, there is a footer with the text "© 2026 Internet Society", the website "InternetSociety.org", and links for "Terms of Service" and "Privacy Policy".

IXPSA

The screenshot displays the IXPSA web application interface. On the left is a sidebar with the Internet Society logo and navigation links: Dashboard, My IXPs (highlighted), My Assessments, My Profile, and Sign Out. The main content area is titled 'My IXPs' and features a table with the following data:

Name	ISOC ID	PeeringDB ID	Assessments	Actions
KGL-IXX	None	None	1	Start Assessment

Below the table, there is a footer with copyright information: © 2026 Internet Society, the website URL: internetsociety.org, and links to Terms of Service and Privacy Policy. On the right side of the main content area, there is an 'Add IXP' button, which is highlighted by a red arrow.

The screenshot displays the Internet Society IXPSA user interface. On the left is a navigation sidebar with the Internet Society logo and menu items: Dashboard, My IXPs, My Assessments, My Profile, and Sign Out. The main content area features a confirmation dialog for the IXP 'KGL-INX', asking the user to confirm starting a new assessment. A green 'Start assessment' button is highlighted with a red arrow pointing to it from the right. The footer contains copyright information for 2026, the website URL 'internetsociety.org', and links for 'Terms of Service' and 'Privacy Policy'.
